WORK EXPERIENCE

1 JAN 2023 – CURRENT Istanbul, Türkiye

SAP Business Consultant TEC & SOLUTIONS

- Provided consultancy services on SAP modules, specializing in FI & CO, and developed programs with ABAP.
- Supported S/4HANA in both on-premise and cloud systems, ensuring seamless integration and optimal performance.

I'm working as a part-time employee.

1 JAN 2023 – CURRENT Istanbul, Türkiye

Sr. Backend Developer Haustro Management Systems

I continue to work as a part-time support service.

30 APR 2021 – 31 DEC 2022 Istanbul, Türkiye

Unity Developer Fxfx Studios

As a Unity Developer at FXX Games in Istanbul, Turkey, I spearheaded the development of mobile games across various genres, from hypercasual to multiplayer. By implementing cutting-edge game mechanics, I aimed to elevate player engagement and retention, ensuring a seamless gaming experience for our users.

30 JUN 2020 – 30 APR 2021 Istanbul, Türkiye

Sr. Backend Developer Haustro Management Systems

- Developed backend and RESTful API for sophisticated business tracking software for companies.
- Implemented ERP system for Haustro Management Systems.
- Enhanced system performance and scalability through innovative coding solutions.

1 JAN 2016 – 1 AUG 2020 Istanbul, Türkiye

Software Developer Freelance · Self-employed

I developed software across diverse sectors, focusing on back-end solutions as a freelancer. My responsibilities included creating powerful and scalable software to meet client requirements. I collaborated with cross-functional teams to optimize performance and enhance user experience, delivering high-quality solutions.

1 JAN 2014 – 1 JAN 2017 Istanbul, Türkiye

Content Creator & Author Freelance · Self-employed

During the periods when Google seo was really high quality, I produced content for both my own sites, paid sites and social media pages in many different categories. I had the chance to write articles for some news sites and newspapers. I left this job over time to focus on my software career.

31 JUL 2015 – 1 JAN 2016 Istanbul, Türkiye

Jr. PHP Developer Bilko Bilişim

I took part as a PHP developer in the project of building an e-commerce site. I left after the project was completed and published.

1 SEP 2014 – 1 JUN 2015 Istanbul, Türkiye

Intern Asilnet A.Ş.

I did the sales and preparation of the package software that we built ourselves. I undertook tasks such as customer relations and management. At the end of the internship, I received a job offer, but I declined to focus on a different projects.
